Subject: Freedom of Information Request

To:

Dear Sir or Madam

I am writing under the Freedom of Information Act 2000 to request information about your school's use of classroom management software, specifically I am asking the following:

1. 1. Does your school use classroom management software? If so please specify the type of software and its capabilities.
2. 2. How much has your school spent on this software?
3. 3. The number of devices that the software has been installed on, please provide the following breakdown:
 - a. School-owned devices.
 - b. Pupil-owned devices.
4. 4. Does the school obtain consent from parents before installing the software on pupil owned devices?
5. 5. Copies of any documentation relating to the use of classroom management software in your school.

I further request that the response to Question 3 be further broken down by device type.

The Freedom of Information Act 2000 lists schools as organisations that are subject to its terms. For further information please refer to Schedule 1, Part IV "*Maintained schools and other educational institutions*": <http://www.legislation.gov.uk/ukpga/2000/36/schedule/1/part/IV> .

I understand under the Freedom of Information Act that I am entitled to a response within twenty working days. I would be grateful if you could confirm this request in writing as soon as possible.

Best wishes

Dan
