To:

Dear Sir/Madam,

Under the Freedom of Information Act 2000 I seek the following information about your school:

- 1) How many slips, trips and falls accidents have you had in your school, by year, over the last 5 years?
- 2) What is the number and value of any personal injury claims, by year, that have resulted from these accidents?

I would prefer to receive this information electronically to my email address: christianharris040@gmail.com

If the decision is made to withhold some of this data using exemptions in the Data Protection Act, please inform me of that fact and cite the exemptions used.

If some parts of this request are easier to answer than others, I would ask that you release the available data as soon as possible.

If you need any clarification then please do not hesitate to contact me. Under Section 16 it is your duty to provide advice and assistance and so I would expect you to contact me if you find this request unmanageable in any way.

I would be grateful if you could confirm in writing that you have received this request, and I look forward to hearing from you within the 20-working day statutory time period.

Yours faithfully,

Christian Harris
